Ex-Display (New) Divan. Has a scuff on the corner and a slight tear by the drawer. But completely brand new and still in wrapper and if you have against the wall and use 2 drawers you will not see this.

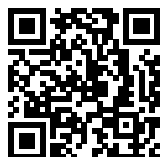

Upholstered in a versatile and tactile canvas-feel fabric, and featuring an unrivaled count of innovative pocket springs, the Luxury True Edge Divan is the perfect partner for your Ultimate Collection mattress.

This divan base system contains 3500 individual pocket springs which work to offer the best foundation for our hand side stitched range of Ultimate Collection mattresses. Improving on traditional sprung edge bases, it provides support across the entire surface, so that the whole mattress is secure to sleep on, eliminating the fear of 'roll-off'.

The frame of the divan base is crafted from FSC Scandinavian spruce timbre, renowned for its resilience, fine grain and trueness of line. For these reasons, it makes for a solid and durable construction, helping support you through countless great nights' sleep. Finally, it sits on metal shepherd castors which have been inset to create the impression that the base is floating. This clever design element ensures you don't have to compromise on style in order to achieve luxurious comfort – it slots effortlessly into your interior scheme allowing you to create a sanctuary for.
