Wow, save almost £2000 off new price! This 1299 Panigale S was sold by us only a few weeks ago and hasn't even got to its first service mileage yet! Due to an unfortunate change in circumstances we are selling this 1299 on behalf of its owner... and that means a massive saving for the lucky new owner! Full factory warranty with Ducati Roadside Assist until September 2017, Ducati Ride Modes, electronic Ohlins suspension all 'round, Bosch cornering ABS, factory up/down quickshifter with auto-blipper and Marchesini forged wheels. Low-rate finance and nationwide delivery available, call Andrew or Julian now to make this beauty!
