Start-up Business Websites for just £75! This is £20 cheaper than listed on our website at Cottage Webcraft. You get a two-page website (a landing page and a contact page) Custom Designed in-house (no templates etc) with images and text. Domain name (.co.uk/.uk/com) registered to you. 12 Months unlimited hosting. Business Mailboxes. Simple Contact Form - designed for you and added to your website if needed. A highly popular service - this has been the starting point for many successful businesses. We not only create a custom designed website for you, we also register the domain name (in your name) and provide 12 months unlimited professional website hosting and e-mail services. Typical turnaround time after placing an order is 2 - 3 working days.

There are no long term ties or monthly fees. The only ongoing charges are after 12 months: annual Website Hosting and domain renewal fees. You are not tied to us for these services - the website can be moved if desired. Extra Pages can be added as needed during the design or at any time in the future for £50 per page. We are a UK based business: A Husband and wife team, and have been in business since 2001 - much longer than most!

We also offer a comprehensive range of Business and E-commerce Web Design Services and SEO.
