Brother and sister Chihuahua puppies wanting their forever home. The boy is blue fawn and the girl is mink coloured. They will be ready to go towards the end of December when they will be 12 weeks old. Both parents are KC registered although I have not registered these puppies. They have been bred in our home with our other dogs and is used to the hustle and bustle of every day life. They are happy healthy playful and affectionate puppies. They will come with their full family history, vet checked, wormed. If you decided that the pup is for you then a £100 will be appreciated. I would like £550 for the female and £520 for the.
