This is an absolutely superb example of this very popular supersport bike. The K5/K6 model is still regarded as the best of all the GSXR1000's, and this one looks stunning in the rare colour scheme of "Space Black & Flint Grey Metallic" with gorgeous red graphics. It has been well looked after by it's mature owner who in recent years only used on sunny Sundays. It has a full service history and we have maintained it since 2008, carrying out 5 services here at Mission. We have both original keys and the tool kit. The bike is in it's original unmolested condition with just a few practical accessories that include an official Suzuki branded Yoshimura stubby tri-oval exhaust, braided front and rear brake lines, tail tidy, paddock stand bobbins, R&G fairing and axle protectors and a genuine GSXR logo tank pad.As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £5195.00
