This is a very popular Bandit 600, that looks superb in red. It has a full service history, documented in the original service book along with the owners manual and alphas paperwork, additionally we have all the old mot certificates and service receipts. It is mostly standard with only a few practical and necessary accessories, which are a full stainless exhaust system, chrome engine protectors and some much more comfortable higher Renthal handlebars. It will also come with 12 months MOT. These bikes are very versatile and reliable all rounders', equally at home commuting, touring just for fun or your first big bike. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £1795
