This absolutely superb and versatile DL1000 ABS looks stunning in Candy Daring Red, it was our demonstrator bike that the sales manager here at Mission ran in and used himself up to the first service, done at 541 miles. It has a Suzuki warranty until 02/04/17 and obviously comes with all the books and keys it would have when new. This is Suzuki's flagship adventure bike and here are a few of its amazing features, advanced traction control system, anti-lock brake system, extensively adjustable suspension, complete information instrument cluster, exceptional fuel economy and ride all day comfort. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £6995
