

# Online Medical Consultation Legal Nurse Training

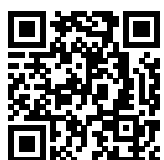

Location **South West, Cornwall**  
<https://www.freeadsz.co.uk/x-221288-z>

Nurse consultants are licensed registered nurses who use their online medical consultation expertise to consult on medical-related legal cases. They help attorneys, paralegals and other legal experts understand medical terminology and other healthcare related issues pertinent to their cases. Legal nurse consultants work on medical malpractice cases, product liability cases, worker's comp cases, personal injury cases, wrongful death cases and so much more. for more information visit @ <http://lcmass/>
