

Friendly young couple looking for 1 bedroom or Studio flat in Brighton and Hove area

Location **South East, West Sussex**

We are looking to rent out a property within train travelling distance from central Brighton as Gemma has recently received a contract position at a business close by and I am currently looking for employment for when we find a place to live. We are currently situated in Rye, which makes travel rather difficult with her 9-5 job, which doesn't give us much time to go to viewing. If anybody has an available property we would greatly appreciate it if a viewing were possible on the afternoon or Evening of Friday the 11th or any time Saturday the 12th of this month, but viewings at other times would also be possible.

We are looking to move into the area before Christmas, preferably, so properties that could be moved into sooner rather than later would also be greatly appreciated.

If you require any further information about us, please feel free to contact me by my mobile phone number or send me an E-Mail and I will get back to you as soon as.
