Looking to re home my two cats Khaleesi the white and tabby one and Nova the White and ginger, she is a year and 5 months and Khaleesi is one year and 6 months. I've just had a baby and she is allergic to cats so unfortunately we have to re home ours. They are both mixed breeds. We're asking for £30 each just to secure a good home. They have both recently been neutered and are up to date with injections and health checks and.
