A complete set of the 2013 and 2014 Shell V Power Ferrari Lego 40190 - 40196 and 30190 - 30196 in their unopened packets.

These also come with 2 promotional 3ft high lego men (reversible - they look the same front and back) in their original packaging which includes the cable ties so you can tie them onto posts - banisters - trees, they do not stand on their own (these were not used on the forecourt so are clean and in very good condition).

The lot comes with The Lego Book and Standing Small book, also in very good condition.

Also not only for fun these two promotional lego men will keep their value as time goes by as a collectible. Just remember to keep the original packaging as this adds value!

These are ready to go!
