Model, Thruxton, Fuel Type, Petrol, Engine Size, 865cc, Year, 2013, Mileage, 6813 Miles, Location, Jack Lilley Ashford, The Thruxton is born of the café racer culture that dominated motorcycling in the 1960s. Used to race from one café to another, they featured extensive modifications such as dropped bars, single seats and up-swept exhausts. Just like those café racers of the 60s, the modern Thruxton is Bonneville based but nowadays, our engineers have made sure it rides like a modern Triumph twin. This 2013 Thruxton in Brooklands Green is no exception to that classic 60's look. Originally supplied by ourselves with full Jack Lilley Service history. With only 6813 miles on the clock and fitted with bespoke seat and tail tidy giving it an authentic café racer look. Brooklands Green seat cowl comes as standard. This Thruxton will have its annual service before it goes out, ready to hit the road in.
