Here we have an immaculate 2013 GSXR 600 finished in pearlescent white. The finish has to be seen in the flesh to appreciate how trick it is. With so few miles on the clock, the bike is only just run in. Only one registered Keeper from new. The bike is in untouched/standard condition, just as it came out the crate. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. This bike is the latest design for this model. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. Fitted with Datatag protection, a favourite for insurance companies. A Tail tidy has been added to the bike to give a more racing look and de-clutter to back end. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. Top spec engine protectors have been fitted just in case the worst should happen. Fitted with a seat cowl, this gives the bike a sportier appearance. Being Fitted with Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. A steering damper has been fitted to help calm the front end and give you more stability and confidence when pushing on. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
