This 650 Single Cylinder thumper is the BMW G650GS SERTAO. Capable of handling anything the roads, or even the "off roads" are able to throw at it. Offering superb reliability and able to conquer any terrain thanks to its big wheels and high ground clearance. Its got hand guards and a taller screen to protect the rider as well as an engine guard or "bash plate" to protect the bike itself. This example is in very good all round condition and has very low mileage for the year. 2 keys as well as full BMW service history this one's got everything it should.
