Juice plus has been around for many years, and offers many benefits other than just weight loss, healthy skin, hair, and even weight gain. The basic weight loss program is 2 shakes, 2 healthy snacks and a healthy main meal a day, we do not calorie count, I can provide you with a list of allowed foods, I can also provide you with 24 hr support, and a great facebook page where you will find recipes and ideas to help you, the price of the shakes alone is just £32.50 a month and they will be delivered direct to you. If you would be interested in any other plan, please contact me for prices, Juice plus is all natural.
