The Igbo Cultural and Support Network (ICSN) is pleased to announce the return of our Igbo Language School.

Looking to have conversations that extend past 'kedu' and 'o di mma'? Perhaps your partner is Igbo and you want to surprise them?

Whatever your reasons, look no further, ICSN Igbo School is here to accelerate your understanding of the language

The beginner course is fully comprehensive and assumes extremely little/no knowledge of the language. You will learn about the alphabet, number counting, sentence structure, grammar and more besides. You'll learn so much, and have fun doing so !!

We also run an intermediate class for those who can demonstrate a sound understanding of the basics. Please inquire for more details if you believe you are this level.
