Our Open Day gives children the opportunity to look round the school and meet our principals, staff and teachers. They are then given the chance to join in the class and get a feel for what we do. During the open day, sister company Scream Management will be visiting with top casting directors and agents on the lookout for the next big thing, and will be available for any advice. Joining Scream this term will give your child the opportunity to show their talents to casting directors in our annual "Oscar's"!
