Hi everyone I have come into a little bit of money and am treating myself to a laptop. I am therefor giving away my laptop to a good home It is a dell latitude d630 with windows 7. The only issues are the battery no longer works and ther is a line running down thescreen. If you have any questions or are interested please phone me on 07527949656. I can send the unit to anywhere in the country but would need you to pay for the postage. Thanks
