I am selling this lovely little pink MERIDA DAKAR 612 aluminium bicycle. It is in very good condition and has had very little use as our granddaughter grew out of it very quickly. It has 12" wheels including tyre. The tyres still have the nobbles on them so that shows how little used. The top tube is 10" from handlebar stem to seat post. Brakes are in full working order and the paintwork is unmarked. There is the tiniest nick in the saddle that is hardly noticeable. This bike is good enough to give as a Christmas present and doesn't even need a wipe over. It has a one piece crank and pedals with built in reflectors. This is a real bargain and would probably suit a child from 3yrs up to about 5 or 6. (depending on child size). This bicycle can be collected from Cleethorpes and it is cash on collection please. I am listing it as used but it looks.
