Hi guys, I am currently 10 months into my tattoo apprenticeship. I got my tattoo License in April and have mostly had around 5 months of actual tattoo time for practice so far. My work is slowly coming along thanks to all of the customers i have been getting due to my cheap price offers. I just want it to continue to build to get better. So i am looking to reach out to more customers if possible. Therefore, if you need a new tattoo, please feel free to ask me about the design you want and i can let you know whether i can or cannot do it, so that it works out cheap for you.

Don't worry though, I am very honest and would not attempt something that i am not 100% confident with.

I can do a variety of styles such as

- Sleeves
- Cover ups,
- Old School
- Cartoon
- Writing
- Logos
- Tribal
- Day of the dead etc.

For both male and female clients.

I can do custom designs too on Photoshop as i can do graphics design and can draw.

I choose to keep my prices cheap/reasonable as i am not in it for the money too much at this stage as i am still a student, as i want to be the best i can be for the work/time i spend not per hour. I only charge £10 per hour. Tribal tattoos are £15 per hour. I am not in it at all for money, my focus should be on cheap prices for my work. I can do custom designs on Photoshop as i can do graphics design and can draw. My focus is only to get better and better and the best way for me to do this is to make more and more customers. so i am hoping my advertisements will help bring more clients to me and also the Tattoo shop where i work. 'Anarchy Tattoo Shop' North John Street, St Helens (check their page on facebook too). Feel free to message my page or email me by replying to this Ad. I have new offers of too over Xmas, A info is on my page. Thank you,
