Hi guys, I am currently 10 months into my tattoo apprenticeship. I got my tattoo License in April and have mostly had around 5 months of actual tattoo time for practice so far.

My work is slowly coming along thanks to all of the customers i have been getting due to my cheap price offers. I just want it to continue to build to get better.

So i am looking to reach out to more customers if possible. Therefore, if you need a new tattoo, please feel free to ask me about the design you want and i can let you know whether i can or cannot do it, so that it works out cheap for you.

Don't worry though, I am very honest and would not attempt something that i am not 100% confident with. I can do a variety of styles such as

- -Sleeves
- -Cover ups,
- -Old School
- -Cartoon
- -Writing
- -Logos
- -Tribal
- -Day of the dead etc.

For both male and female clients.

I can do custom designs too on Photoshop as i can do graphics design and can draw.
