South West, Gloucestershire

These sofa and chair seat pad inserts have been replaced with a firmer foam so are surplus to requirements. Too good to waste, they would be ideal for covering and used for garden furniture, dog beds, soft play for kids, etc. Dims are, 2 off 29.5 x 25 x 6 inches and 1 off 20.5 x 25 x 6 inches. too big to post so buyer collects.,
