UGEE M708 Professional Graphics Tablet PC USB (25 GBP)

Location London, London

https://www.freeadsz.co.uk/x-222496-z

A professional graphics tablet connected to any laptop, Mac or PC via any Micro USB cable (short one included). It uses an amazing pressure sensitive technology on the pen itself. The pen is wireless and has two programmable buttons. The tablet software (NOT included but can easily be found on the internet) is customisable to set the tablet preferences to your taste.

Includes:
Manual
Purchase Welcome Card
UGEE M708 Tablet
Wireless Tablet Pen (Takes 1 AA battery)
Micro USB Cable
The Wireless Pen holder (Also storage for extra pen tips)

Call / Text me if you are.
