

Beautiful 2 year old pure white green eyed male cat) (50 GBP)

Location **South East, Surrey**

All vaccinations up to date, neutered and microchipped. he has been deflead and wormed since 6 weeks old and is very used to children as I have 2! Unfortunately a job relocation means we are going to have to rent an apartment in London for a year And as he is such an outdoorsy cat, and has been used to having a garden and cat flap to come and go it just doesn't seem fair. He is very loyal and comes home every evening but especially on sunny days prefers to be running around in the grass :) asking for a £50 fee just so we know you are a genuine cat lover! Happy to deliver free of charge;
