

Driveway and Patio Cleaning Service

Location

West Midlands, Worcestershire

<https://www.freeadsz.co.uk/x-223208-z>

Allow us to restore your driveways and patios back to their best with our professional jet washing and pressure cleaning service. Why fork out a fortune to re-lay your drive or put down a new patio, when we can refurbish it back to its original condition for a fraction of the price? Restoring your driveway back to its best A little oil spillage on your drive doesn't mean it's time for new block paving, and nor does a bit of moss on your patio mean it's time for new slabs. From grubby to gleaming, whether it's a driveway, patio area, a path or a terrace you require restoring, we will be able to get it back to its best. Using variable high pressure water that's 4-5 times the power of the water from a standard hose, we can restore the surface back to its original condition. We clean walls too...we will have your walls looking as clean as when the mortar had just set. We can quickly and easily remove stains, unsightly weeds, moss, lichen and algae and remedy problems caused by the weather to improve the look of your property. Algae and moss control Our driveway and patio cleaning service isn't just about appearance. Using our professional jet washers we can also make your patios, paths and driveways safer. As well as being unsightly, algae and moss covered patios, paths and driveways can also become dangerous if not.
