

Peugeot 207 GT (1,300 GBP)

Location South East, Kent https://www.freeadsz.co.uk/x-223235-z

Lovely car, Full Leather interior, 6 CD, Cruise Control, Auto everything. However the cars engine lost power, the Engine Management light came on and a Depollution Error came up. It starts very lumpy until warmed up and the loss of power is noticeable on acceleration. It is SORN, needs an MOT, needs 4 new tyres, needs someone with knowledge who will grab a bargain. No Offers, Priced to sell.
