

## Bose Companion 3 Series II speakers use with computer or TV (130 GBP)

Location **London, London**  
<https://www.freeadsz.co.uk/x-22330-z>

Premium stereo performance for those who prefer a three-piece computer sound system. Two small desktop speakers deliver life like stereo sound. Bose technology Hideaway Acoustimass® module produces substantial low notes. Handy control pod includes volume, single-touch mute, headphone jack and auxiliary input In excellent fully working condition. The photos are of the actual system, which cost over £250 when new a few years ago. Complete with original: Subwoofer/Power unit 2 x Satellite speakers on tabletop stands. Wired control pad for volume control - with headphone and aux. input Mains cable Audio cable for connect to PC etc. You can use a headphone socket. Original user guide supplied. Great sound as you would expect from Bose. It worked very well with my TV but have since upgraded system. Thanks for looking Colour Graphite Grey ;
