7/8 VASILE 'GLIGA 1' One Piece Back Ladies Violin.

I purchased it just under a year ago but it's a little too big for me, it feels slightly larger than my usual old 7/8 violin, so regretfully decided to sell. It sounds awesome and lives up to the many glowing reviews this maker has. I imported it as it was impossible to source in this size from the UK.

The inside is signed by the well-renowned Romanian luthier and comes with certificate of authenticity (as shown in photograph), a good quality case & decent fibre bow. Fitted with brand new Dominant strings. Vasile Gliga violins are held in very high regard and are considered exceptional quality for the price. They are not only a wonderful modern violin to play but also an investment.

A warm, rich and mellow sound from an exceptional piece of workmanship! A master violin! The label inside is signed by the well known Romanian luthier VASILE GLIGA - member of Violin Society of America.

Unfortunately I'm just a little too petite for this beautiful violin. Cash on collection or bank transfer preferred.
