

Jaguar X-type 2005 (2,495 GBP)

Location

Wales, West Glamorgan

<https://www.freeadsz.co.uk/x-231326-z>

A splendid example of the prestigious Jaguar X-Type. Looks the part in a lovely metallic grey with full beige leather interior, this is the upper SE model with great spec including air conditioning, alloy wheels, CD player, cruise control, electrically adjustable heated front seats, electric windows, power steering, remote central locking and traction control. Powered by a marvellous 2.2 diesel engine with 6 speed gearbox, makes for a brilliant car to travel in comfort. In amazing condition for its age, clearly a well looked after car with part service history. Truly does look and drive like its covered a fraction of its actual mileage. A lot of car for the money. Comes with a January 2017 MOT (no advisories). Power Steering, Cruise Control, Electric Windows, CD
