 Beautifully Carved Detail To The Table Legs
 &

Matching Chairs The table top has been stripped, sanded and waxed with a good quality furniture wax to show off the beautiful pattern in the graining of the mahogany veneer, this also gives protection to the wood but care still needs to be taken to avoid marking. The table base, legs and skirt have been painted in Laura ashley Pale Dove Grey Eggshell which is a lovely soft grey that compliments the fabric on the chair seats.

The paintwork has also been waxed to give further protection. The table seats six comfortably but would easily seat eight when fully extended, this can be done by adding the two separate leaves. The chairs have been painted in the same Laura Ashley Eggshell and covered with Ironwork Scroll fabric in Dove Grey from the Laura Ashley range. All fabric will be treated with Scotchguard making it stain and water resistant. Measurements approximate

Table: 68.5" long extending to 88.5" x 42.5" wide x 31" high Chairs: 42" high x 21" - 22" wide x 18" deep. PLEASE NOTE This dining set is a pre owned set that is in good used condition but as with all used furniture it has marks and dents to the woodwork, this I feel only adds to its charm and character.

There are a couple of places on one of the extention leaves where the veneer has chipped away and one place on the edge of the table is worn slightly but this not that noticable and does not affect its use.

This is a well made solid set that will last for
