

Cute Cavachon pups (895 GBP)

Location **Wales, Gwent**
<https://www.freeadsz.co.uk/x-231710-z>

These gorgeous pups are now 11 weeks old and ready for their new homes. We have one little girl and two little boys available all of which have lovely fleecy coats. We expect them to mature to between 12-14 inches to the shoulder. They have lovable but playful characters that are easy to train making them ideal for first time owners. Please call us for further.
