## Apple iPhone 6 128gb (Space Grey) with Apple Leather Case (385 GBP)

South East, East Sussex Location https://www.freeadsz.co.uk/x-231839-z

Just over 1 year old, in excellent condition. It has always had an Apple Leather case on it (included) and has been extremely well looked after. The only sign of any use whatsoever is a couple of incredibly faint, very light and small scratches to the screen, which are only visible when held at certain angles and with the screen not illuminated, as it had a screen protector on for a lot of the last year. So small I can't get them to show in photos. It comes with original box, charge cable, plug etc. It is updated to the latest IOS 9.2 software and is the 128gb (largest capacity) version. No time wasters please.;
