Private Van Finance Wanted

Hello and thanks for reading my advert, this is an unusual request but worth a go. I am a hard working individual that works 5 days per week for around 55 hours a week. I am paid well and have a proven track record of my income and my living arrangements including rental payments and so forth. I am looking for a Motor Trader to supply a van to me on Finance which I am happy to pay a 25% down payment upon collection of the van. The type of van I am looking for would be a Vauxhall Combi, Renault Kangoo, Fiat Dioblo or similar which should have a Side Loading Door, Low Mileage, be in mint condition with service history and a long MOT, looking for a diesel van up to a value of £2500 - £3000. I guess I am probably asking a lot but nothing ventured, nothing gained. I am happy to pay a 25% deposit and between £400 - £500 per month by way of cash, standing order, direct debit or debit card. I am happy for the financier to record any such vehicle on the HP register and to retain ownership of the van until fully paid for. If you could help please feel free to call me on 01424 431102 or 07718 908455, if I cannot take your call please leave a voicemail and I will return your call as soon as I.
