Selling on behalf of my Daughter. 1.4 LS Purchased in 2008 since when it has been her faithful friend. Always serviced by local garage, and any advisories attended to professionally. Interior is clean and tidy with very little evidence of age. Bodywork is good and solid but with the kind of marks you would expect from 15 plus years in an urban enviroment. Good tyres etc and MOT through to August 2016. A little (but not much) wriggle space on asking price. Should prove to be a cheap to insure car. 07850
