A nice and tidy example of the rarely seen BMW 328 in silver with full grey leather interior. High spec with power steering, remote central locking, electric windows x 4, electric sunroof, alloy wheels, heated seats, air conditioning, tow bar, cruise control and traction control. Powered by a superb 2.8 petrol engine coupled with a 5 speed automatic gearbox, resulting in a smooth ride with plenty of power if needed. In great condition for its age, a well looked after car maintained to a high standard with full and complete service history. Comes with an August 2016 MOT. A lot of car for the money.
