Hello and welcome to the sale of my classic mk3 fiesta 1.8d L Absolutely immaculate for the year and if it wasnt for a few bits i would say close to concours, had alot of respect from people when i took it to the ford fair earlier this year.. Everything works as it should apart from the stereo and rear wiper.. Completely and utterly solid and rust free apart from a small bubble around the rear wiper, see pictures says it all, believe the MOT is around may or june time and went straight through its last one with no advisories.. Has full ford service history and previous owner had it from brand new, does 60mpg easily and only seeing will appreciate the condition, it is dry stored in a garage but used daily.. mileage to go up slightly but always starts.. Please contact me if interested and strictly sensible offers as at this price it is an appreciating classic and worth every penny and anyone who knows their fords will understand.. Thanks and look forward to hearing from.
