I have available 2 sisters that are looking for a new home..
 They were born on the 15th May 2014 so are about 18 months old..
 I also have their mother and father who have outstanding temperaments..
 Poppy is a chocolate mini lop and Elsa is a chocolate torte mini lop..
 Both girls are so friendly and will come and greet you when you go to their hutch..
 They are fine to be handled however adult supervision would be best if younger children are involved..
 These girls are bonded and would have to be rehomed as a pair as they have never been apart..
 They have not been neutered but are not suitable for breeding. Pet home required so these beautiful friendly girls can live out their lives together..
 These girls were very sadly returned to me as their family broke up but were very loved which you can see..
 Please email me for more info or look at my website..
