Hotpoint Futura WMTF722H Washing Machine - White, White WASHING MACHINES

Hotpoint Compact and practical, the Hotpoint Futura WMTF722H Washing Machine is all your laundry room needs to keep on top of your households washing. Have the choice of 16 programs You'll love the diverse and dynamic programme selection available on the WMTF722H Washing Machine, with a program for every load. Choose from Baby, Cotton 40-90, Delicates, a variety of Eco or Mix washing cycles to address all kinds of laundry scenarios. You'll save loads of time and effort with the Rapid cycles, which refreshes lightly soiled pieces of clothing between 15 to 30 minutes, depending on the load weight. Helpful everyday features The compact top loading Futura WMTF722H Washing Machine is ideal for laundry rooms with tight spaces. Measuring only 400 mm wide, you'll be able to fit it into almost any space. The delay timer can be set to start a cycle at a time that suits you, having it ready to unload when you arrive back home. Using dials and buttons, you can be in total control each load and achieve complete accuracy. Rated an impressive A++, the high performance, eco-friendly Hotpoint Futura WMTF722H Washing Machine is all you need for your laundry needs. £399.99
