MCN said "The PES125i is sturdy, well made and has the weight of the Honda brand behind it, so you know it's a safe and reliable purchase." We bought this scooter off its 1'st owner in 2011, since then we've sold it twice and serviced it regularly. It has 3 previous owners and 9 service stamps in the original Honda service book. We additionally have 2 original keys and all the books. All our bikes are thoroughly checked before we buy them, allowing us to sell with confidence, this is now exception. It runs superb and has plenty of life left in the punchy 125 four stroke motor. For added peace of mind it will come with a full mot upon sale. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £16359
