Blue, 5+ owners, This one is all standard and is clean and tidy for the year. The Honda CB600F Hornet uses simple ingredients, thoughtfully combined to create a decent motorcycle. The Hornet is a versatile motorcycle that's fun and practical. It has a high level exhaust, USD forks and wide rear tyre, which adds a dash of pzazz. Mad thrash or gentle cruise – the CB600F Hornet copes with both without breaking a sweat. Handling is sweet and there is plenty of power and excellent reliability from the Honda CB600Fs inline four. The Honda CB600F Hornet shrugs off miles (including winter ones) better than most Japanese bikes. The finish is pretty tough. Reliability is superb. The North West's finest family run motorcycle dealership, £1,650 p/x
