

# KTM RC8 2015 (10,950 GBP)

Location

**Wales, Gwynedd**<https://www.freeadsz.co.uk/x-233048-z>

Grey, 1 owner, This one comes with crash bars, headlamp protector, heated grips and Ergo seats (non heated). First service will be done, warranty until 18/04/2017, £710 of extras, add panniers for an additional £750. The 1190 is radically different from the 990 it replaced. The whole package of chassis, electronic suspension and rider aids makes this 150bhp, 230kg bike seriously capable and very rider-friendly. It can also be ridden fast. The handling is precise and the chassis feels incredibly balanced whilst offering clear feedback about exactly what's happening. The 19-inch front wheel gives a fantastic feeling of security. The 1190 has moved the performance bar to a whole new level. With 150bhp and 92ftlb of torque and a fully-fuelled weight of 230kg, the KTM has a better power-to-weight ratio than the rest. While power is plentiful, it's also smooth, clean, precise and easy to manage. ABS, fuel modes and traction control are standard. KTM build bikes to take on Dakar, they are rough, tough and reliable. The North West's finest family run motorcycle dealership, £10,950 p/x considered
