White, 1 owner, This is KTM's flagship Adventure/Tourer bike. The following upgrades have been loaded by KTM. Motor Slip Regulation, Cancelling Indicators and Hill Hold Control (retail cost £300). The bike was registered as new on 23rd Feb 2015 (so it's only a week off being a 15 reg plate). It has manufacturer warranty and European breakdown cover until 23rd Feb 2017. The full set of panniers can be included for an extra £750 (RRP for these is £1160). The bike has long distance ability, excellent ergonomics, huge tank range, informative clocks, cruise control, a heated seat and grips, tyre pressure monitors and more. It has a powerful engine, excellent handling and impressive electronics. It looks good, sounds good and is a lot of bike for the money. It has four riding modes, to adjust available power, throttle response and traction control as well as the damping settings. The riding position and ergonomics are excellent and everything is adjustable: bars, levers, seat, pegs and even the screen. It also has heated grips and a heated seat for rider and pillion. Cornering ABS allows the rider to rely on C-ABS even when banked over. It has KTM's latest V-twin, the enlarged 1.3-litre unit from the Super Duke R, which has been refined to suit this bike. KTM's latest-generation electronics, namely the excellent MSC, (Motorcycle Stability Control) and MTC (Motorcycle Traction Control) are also included. It has LED lights, cruise control and comes with a steering damper fitted as standard. The North West's finest family run motorcycle dealership, £12,250 p/x considered Cruise
