Blue, 4 owners, This one has Renthal Grips, Spyball alarm and Double Bubble screen. It does have a scrape and paint blisters on the right hand side lower fairing. The Honda CBR1100XX Super Blackbird is a useable, comfortable, tidy handling sports tourer but also a ballistic power-house that used to hold the record as the fastest production motorcycle. The Honda CBR1100XX Super Blackbird is sensible and utterly insane in one nicely presented Honda package. One of the best all-round motorcycles out there. The Honda CBR1100XX Super Blackbird's in-line four is a conventional layout but it works well producing acceptable low down power, muscular midrange and a top end rush that gobbles up any straight in seconds. Problems with the Honda CBR1100XX Super Blackbird are almost non-existent even at huge mileages. The Honda CBR1100XX Super Blackbird's build quality is better than pretty much anything out there on two wheels. The Honda CBR1100XX Super Blackbird's reliability is superb too. The Honda CBR1100XX Super Blackbird was a range topper in its day, meaning it's reasonably well spec'd up. Comfort's pretty good and this one has the double bubble screen for increased wind protection. The North West's finest family run motorcycle dealership, £2,995 p/x
