2010 '60 Ford Transit 350 LWB factory built crewcab tipper 2.4 TDCi, only 48000 miles with a full service history by one owner, very very rare in the fact that this isn't an ex construction motor as it came from an engineering company and hasn't been on the building sites so its extremely fresh in all respects. Last serviced at 44843 miles in May '15. If your fed up looking at crewcabs that resemble a builders bucket this one will make a refreshing change... All vehicles fully checked & inspected by our own workshops. Since 1978 we have been selling light commercials across the entire UK from Glasgow to Inverness, London & Birmingham, Manchester, Leeds, Liverpool & Newcastle and closer to home in Edinburgh, Dundee and Aberdeen. As well as all the Scottish Islands.**Some of our vehicles may be fitted with speed limiters** Please
