Little Rascals are proud to announce our beautiful litter of Basset pups will be available for their forever homes from the end of December 2015. The Basset is one of the most gentle and loyal dogs we have, they reach approximately 11 to 15 inch at the shoulder. The mournful face of this gentle, lovable hound belies its lively personality. Its sociable nature means they are gentle with children and fit in well to family life. The Basset requires regular, moderate exercise. Here at Little Rascals all of our dogs are very much loved and our puppies come with the following:

- Vaccinations and a signed vet card
- Wormed and Flead to date
- 4 weeks free Pet Insurance
- Puppy Training pad for the journey
- A blanket for comfort
- Puppy Pack containing food.
- Micro Chip which will be registered to you as the new owner whilst you are.
