Originally bought this car for my dad but only recently he needed an operation on his hand so he can't drive for quite some time. This is the only reason for sale. Advisories on new MOT were just three tyres close to the legal limit. New exhaust tailpipe fitted with new MOT. Lots and lots of paperwork as seen in pictures. This car is automatic. I am moving house so need gone as quickly as possible really. Hence the good price considering there is nothing wrong with the car. The car will come with a new set of seat covers pack which you can see in the pictures also. \$500ono. All offers welcome but please no stupid.
