Hi and a happy new year to all.

I'm having to sell this little chihuahua puppy, Has he is a little bit to lively for me as i'm slow at moving around, I've a number of hospital appointments and I can't give him the time he needs and it is not fair to him, He is a pedigree and he comes with his papers, He is around 4" high and he will not grow much more, I,m so sad that he has to go as he loves to play with his toys.

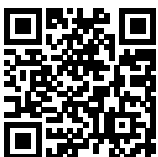

He will sit on your kneen all day if you let him.

He comes with his beds, toys and food, he's been cheked by the vet and he is in good heath.

He is ok with children if he is left to do his own thing but you must keep a eye on him.

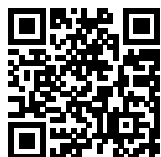

He is nearley house trained he as not done anything how for about 4 weeks.

Well thats about it I can tell you, You love as much as we do and you will have lots of hours of.
