The 5008 is excellent for those of you that are looking for a seven seater that is comfortable for the whole family! Ours here has had three services in the three years since it was registered as a brand new car back in September 2012, the most recent of those having been but a few thousand miles ago and we've STILL put it through our own workshop for a full lights and levels check! It has had just the one lady owner, has a lengthy MOT and looks brilliant in what is an almost 'gun metal grey'. Better yet, the AUTOMATIC gearbox makes it a real doddle to drive, whilst you still have the tip-tronic or 'flappy paddle' controls behind the steering wheel so you can change gear yourself should you wish, it really is the best of both worlds.
