They have both had their first vaccinations and have been microchipped, we will provide the new owners with a puppy starter Kit which will include,

- 2 weeks' worth of royal canin food
- Blanket with mums scent
- Information pack on the breed
- Life time Guarantee if circumstances change to be returned to us.
- Life time support on any issues with the puppy.

they are both beautiful boys, very gentle and loving too, he is great around our son who is 18 months old. The mother and father are family pets both with great temperaments and can be let off the lead when on walks (see photos).

We will want to speak with you over the phone before agreeing to let anyone come and view them. We want what is best for both boys to be sure they get a suitable forever home.

I have a couple of videos if you are interested get in touch. If anyone has questions please feel free to contact me.
