Girls Cuda Mayhem Aluminium Framed Mountain Bike (6 8 years) (80 GBP)

North, Northumberland Location https://www.freeadsz.co.uk/x-233930-z

I am selling this bike which is still in a very good condition. It was hardly used. It has been lying in a shed for several months, so I've just given it a good wash. There is a slight mark to the saddle, but this of course does not affect its use. Wheel size is 20 inch. Bike suitable for age range 6 - 8, but of course this depends on the child's height. Lightweight aluminium frame Shimano gears (6) with Shimano Revoshifter (gear change) White / black tyres (size 20 inch) Alloy wheels Bell COLLECTION ONLY FROM WHITLEY
